Memorandum

TO : DI-2

DATE: 27 March 1972

FROM : DI-2A

SUBJECT: Scheduled Meeting with Brigadier General Wilson, USDAO,
Moscow (U)

1. In response to a telephone call from an AA representative the afternoon of 22 March 1972, we agreed to meet late that day with General Wilson, at his request, to talk about the [REDACTED] Later, General Wilson telephoned to request that this meeting be held at 1400 on 3 April 1972, which was satisfactory to us.

2. General Wilson stated at that time that he wanted to propose a revision [REDACTED] as he felt there was a need to streamline this publication. He said the problem included: [REDACTED]

He added that AA had some rough drafts of some of his proposals, and, at our request, AA is in the process of sending these to this office.

3. [REDACTED]

It was revised a couple of years ago through the USIB Watch Committee, with the National Indications Center being tasked to take the lead in keeping it up to date.

4. Presuming there is no objection, we shall, therefore, invite representatives of the NIC to participate in the subject meeting together with representatives of DI-3, AA, DC, and the Military Services.
